Dear Dean Binwag,

I, Samuel D. Corpuz, am writing this letter to acknowledge that my younger brother, **Jonathan D. Corpuz**, will be withdrawing from the course CHE 4111 for the 1st semester of the A.Y. 2024-2025, due to difficulty in coping with the subject, which has impacted his ability to perform well. We understand the implications of this decision and fully support Jonathan in his academic choices.

If there are any further formalities required, please contact me at +63 926 656 3429.
Thank you.

Sincerely,
